Subject of Meeting _____ HORSEPLAY _____

The excuse usually given by those who indulge in horseplay is that "we were just having some fun."

The fact is, is that horseplay, including practical jokes, is not only childish but it can be dangerous. The workers who allow themselves to get or be involved in horseplay are as dangerous as a broken guard rail.

Horseplay of any kind has no place on a construction job.

Further, you should take notice that horseplay is strictly against Company Rules and will not be tolerated under any circumstances.
